

## 12 to 24 Prize Wheel Inserts Template

Use this Adobe Illustrator file to create prize inserts for your 12 to 24 slot Prize Wheel. Copy the file (*Save As*); call it what you like and remember where you put it; select, replace and customize the sample elements with your own text pictures, colors, etc. by using *Layers*, *Type*, *Color*, *Swatches* and other palettes found under the *Window* menu; print, trim and place them into the prize slots in order. For further assistance, click on Illustrator's *Help* menu.

Note: The first layer in this template is for divided 12/24 Prize Pieces and the second layer is the 12 slot template to design the entire slot for one prize.
