

## Micro Prize Wheel Insert Template

Use this Microsoft Word file to create prize inserts for your Games People Play Prize Wheel. Copy the file (*Save As*); call it what you want and remember where you put it; select, replace and customize the sample elements with your own text, artwork, colors, etc. using the *Formatting* and *Drawing* toolbars; print out and trim. Make as many copies and different versions as needed to fill all of the slots. For further assistance, click on Word's *Help* menu.
